ABOUT YOUTH HAVEN

In continuous operation for over 46 years, **Youth Haven** offers a safe harbor for abused, abandoned and neglected children and teens in Southwest Florida. A 25-acre therapeutic campus meets the growing needs of our community to provide services and programming for youth who have been removed from their homes due to no fault of their own. Youth Haven is an immediate lifeline of safety, love and compassion and is the first step in a long journey back to trust, confidence and joy, featuring three main comprehensive programs for the 70+ children who call Youth Haven home: The Emergency & Residential Shelter; The Counseling Center; The Homeless Teen & Transitional Living Program (HHTLP). Youth Haven is fully-accredited by the nationally-recognized Council on Accreditation (COA), a member agency of the United Way of Collier County, and Naples Children & Education Foundation beneficiary.

PROGRAMS AND SERVICES

Emergency & Residential Shelter

- Collier County's only shelter for children and teens ages 6-18 placed in Youth Haven's care by the State of Florida after being removed from their homes due to abuse, neglect, or abandonment.
- Fifty-seven beds are available 24-hours a day, seven days a week.
- The children receive comprehensive care including nutritious meals, clothing, educational support, medical care, dental care, mental health care, and more; all in an enriching home-like environment.

The Counseling Center

- Youth Haven's licensed therapists begin the process of mending traumatized lives through traditional as well as cutting-edge, innovative therapies.
- Specialized therapies include certified Animal-Assisted Therapy and certified Play Therapy for young children.
- The Counseling Center accepts Medicaid, and private pay fee adjustments are available. It is open to all members of the community under the age of 21, and services are available in English and Spanish.

Homeless Teen & Transitional Living Program (HHTLP)

- The only program in Collier County for youth experiencing homelessness and in need of assistance in their transition to adulthood.
- Intensive case management with a strengths-based approach that meets the individual needs of youth and encourages them to set and pursue their own goals.
- A Teen Drop-in Center offers youth a safe place to shower, launder clothes, study, and socialize.
- Mobility and safety supports include bicycles, bus passes, and emergency use cell phones.
- Direct linkage to community agencies helps meet youth's complex needs including health and dental care; mental health and substance abuse counseling; public school liaison; educational and vocational mentoring.
